JULY 30-AUG 1, 2026

A MESSAGE FROM OUR PRESIDENT

Welcome, and thank you for attending the North Carolina Taxidermy Association's Annual Competition and Convention. We're excited to have you with us for a weekend of learning, craftsmanship, and fellowship.

This year's event features a stellar lineup of world-class judges who will be presenting seminars in their specialized categories. We've also scheduled sessions designed specifically for beginning and novice taxidermists to help support growth at every skill level.

On Thursday, we invite you to join us for the Meet and Greet, which will run alongside the Speed Mount Competition. On Friday at lunchtime, we'll be hosting a cookout, and we welcome everyone to come out and enjoy a meal with us.

We've made a few changes to Saturday's schedule from how we have done in previous years. There will be a viewing period with ribbons in place prior to the banquet, and judges will be available for critiques following the awards ceremony.

I would also like to thank the NCTA's board and officers, committees, and individuals behind the scenes who have helped put this show on. without them none of this could have happened. The Shores family, John Cranford, and Haley Ward have been exceptional in their service to this association and I would like to publicly thank them for all that they have done for the NCTA. Our association is truly blessed to have such an outstanding membership and I am very grateful and proud to have such outstanding people willing to serve.

**With all of my heart, Thank y'all!!
Brian Piro, President NCTA**
